Twenty-five Dollars Reward.

REWARD, sometime in the months of No-

vember or December last,

A NEGRO MAN by the name of SADD,

who was hired in the town of Alexan-

dria to a Mr. Robert Smith. He was about 30

years of age, about 5 feet 10 or 11 inches

high, very stout, of rather a yellowish or tan-

ney complexion, stutters a little, has a soft

voice, and generally seems humble and timid

when spoken to. He had a wife at Col. Jem-

meson's, in the county of Carolina, and may

perhaps now be lurking in that neighborhood,

but I think it more probable he may have

gone to the state of Maryland. If he is taken

in the state of Virginia and brought to me I

will give the above reward; if in the state of

Dollars reward.

were at their appointed stations. Marshal...
Ney was on the right wing, marshal Lan...
nes in the centre, marshal Mortier on the...
left wing; the corps of general Victor and...
the guards formed the reserve.

The cavalry under the command of ge...
ral Grouchy supported the left wing.

The division of dragoons of general La...
tour Maubourg was behind the right wing...
as a reserve. General Labousayre's divisi...
on of dragoons, and the Saxon cuirassiers...
formed a reserve for the centre.

Meanwhile the enemy deployed the...
whole wing of his army. His left wing ex...
tended to the town of Friedland, and his...
right wing a mile and a half in the other...
direction.

The emperor having reconnoitered the...
position, instantly determined to take the...
town of Friedland. Then suddenly chang...
ing his front, and advancing his right, he...
commenced the attack with the first part of...

About half past five marshal Ney began...
to move forward. Some shots from a bat...
tery of twenty cannon were the signal. At...
the same moment the division of gen. Mar...
chand advanced sword in hand upon the...
enemy and proceeded towards the tower...
of the town, being supported on the left...
by the division of gen. Bion.

When the enemy perceived that marshal...
Ney had left the wood in which his right...
wing had been posted, they endeavored to...
surround him with some regiments of caval...
ry, and a multitude of Cossacks; but gen...
Lacour Maubourg's division of dragoons...
rode up in full gallop to the right wing, and...
repelled the attack of the enemy. In the...
meantime, general Victor erected a battery...
of 30 cannon in the front of his centre.

General Bennigsen, who commanded...
this battery, pushed his works forward...
more than 400 paces, and greatly annoyed...
the enemy. The several manoeuvres they...
attempted, in order to produce a diversion...
were all in vain.

Marshal Ney was at the head of his...
troops directing the smallest manoeuvres...
with that coolness and intrepidity pec...
uliar to himself, and maintained that ex...
ample which has always distinguished his...
corps among the other corps of the grand...
army. Several columns of the enemy...
which attacked his right wing were receiv...
ed with the bayonet and driven into the...
Alle. Thousands found their graves in...
that river, and some escaped by swimming;...
meanwhile marshal Ney's left wing reached...
the Ravelin, which encircles the town of...
Friedland. The enemy, who had posted...
the imperial horse & foot guards in ambush...
there, advanced with great intrepidity and...
attacked marshal Ney's left, which for a...
moment wavered; but Dupont's division...
which formed the right wing of the re...
serve, fell upon the Russian imperial guards...
defeated them, and made a most dreadful...
slaughter. The enemy sent forward sever...
al other corps from his centre, to defend...
Friedland; vain efforts: Friedland was...
forced, and its streets beset with dead...
bodies. The centre, commanded by mar...
shal Lannes, was at the same time engag...
ed. The attempts which the enemy had...
made upon the right wing, being frustrat...
ed, he wished to try the effect of similar...
efforts upon our centre; he was, however...
unavailably received by the brave divisions...
of Oudinot and Verdier, and the commanding...
marshal.

The repeated attacks of the enemy's in...
fantry and cavalry were incapable of ob...
staining the march of our columns, all the...

powers and all the courage of the Russians...
were exerted in vain.

Marshal Mortier, who during the whole...
day, had given great proofs of coolness and...
intrepidity, in supporting the left wing...
now advanced, and was in his turn sup...
ported by the fusiliers of the guard under...
the command of general Savary. The cav...
alry, infantry, and artillery, all on this...
occasion, generally distinguished them...
selves.

The imperial horse and foot guards, and...
two divisions of the first corps, were not...
in the action. The victory was never for...
a moment doubtful. The field of battle...
is horrible to behold. It is not too much...
to estimate the number of dead on the...
side of the Russians at from 15 to 18,000...
—The number of dead on the French...
side was not five hundred, but we have...
three thousand wounded. We have taken...
80 cannons and a great number of caissons...
—A great number of standards have also...
fallen into our hands. There are 25 of the...
Russian generals either killed wounded or...
taken. Their cavalry has suffered an in...
calculable loss.

General Droget, chief of marshal Lan...
nes' corps; general Cohorn; col. Regnaud...
of the 15th of the line; col. Lajonquiere...
of the 60th; col. Lamotte, of the 14th...
dragoons; and brigadier general Bruyn...
are wounded. General Latour Maubourg...
is wounded in the hand. Desfourneux...
colonel of the artillery; Hutin chief d'Es...
quadron, and the first aid de camp of ge...
n. Oudinot are killed. Two of the empe...
ror's aids de camp, Mouton and Lacoste...
are slightly wounded.

Night prevented us from pursuing the...
enemy; they were followed until eleven...
o'clock. During the remainder of the...
night, the cut off columns tried to pass the...
Alle at several fordable places, and next...
day we saw caissons, cannon, and harness...
every where in the river.

The battle of Friedland is worthy to be...
numbered with those of Marengo, Auster...
litz, and Jena. The enemy were numerous...
had fine cavalry and fought bravely.

Next day the enemy endeavored to as...
semble on the right bank of the Alle and...
the Pregel. The emperor had his head...
quarters in the village of Peterswilde.

The enemy having destroyed all the...
bridges took advantage of that obstacle at...
day break on the 16th to proceed on their...
retreat towards Russia. At eight in the...
morning the emperor threw a bridge across...
the Pregel, and took a position there with...
the army.

Almost all the magazines which the en...
emy had on the Alle have been thrown in...
to the river or burnt. Some idea may be...
formed of the great extent of their loss...
by what yet remains to us. The Russians...
had magazines in all the villages, which in...
their passage they every where burnt. We...
have however found more than six thou...
sand quintals of corn in Wehlau.

Königsberg was abandoned on the ar...
rival of the intelligence of the battle of...
Friedland. Marshal Soult has entered that...
place, where much wealth has been found...
—We have taken there some hundred...
thousand quintals of corn, more than 20,000...
wounded Russians and Prussians, all the...
ammunition which England had sent to...
the Russians, including 160,000 muskets...
which had not been landed. Thus has...
Providence punished those who instead of...
negotiating with good faith to bring about...
a salutary peace, treated that object with...
derision, and regarded the repose taken by...
the conquerors as a proof of timidity and...
weakness.

The army is now in a delightful country...
The banks of the Pregel are rich. In a...
short time the magazines and cellars of...
Dantzic and Königsberg will afford us...
new resources of superfluity and wealth...
The names of the brave men who have...
distinguished themselves cannot be con...
tained within the limits of one Bulletin...
The Staff is employed in collecting their...
deeds.

The prince of Neufchatel gave extraor...
dinary proofs of his zeal and knowledge in...
the battle of Friedland. He was frequent...
ly in the hottest part of the action, and...
made arrangements which were of great...
advantage.

It was on the 5th the enemy renewed...
hostilities. Their loss in the ten days which...
followed their first operations, may be...
reckoned at 60,000 men, killed, wounded...
taken, or otherwise put hors de combat. A...
part of their artillery, the necessary supply...
of military stores, and all their magazines...
on a line of more than 40 miles, are lost...
to them. The French army has seldom...
obtained such great advantages with so...
little loss.

Eighty-Fourth Bulletin.
Tilsit, June 24.
The marshal of the palace, Duroc, went

on the 24th to the head-quarters of the...
Russian army, on the other side of the...
Niemen, to exchange the ratifications of...
the armistice, which had been ratified by...
the emperor Alexander. On the 24th...
prince Labanoff having demanded an au...
dience of the emperor, was admitted on...
the same day at two in the afternoon; he...
remained a long time in the cabinet with...
his majesty. Gen. Kalkreuth is expected...
at the head-quarters to sign the armistice...
with the king of Prussia.

On the 11th of June, at 4 o'clock in the...
morning, the Prussians attacked Dreuze...
wo in great force; gen. Clapareds sus...
tained the enemy's fire: marshal Massena...
rushed along the line, repulsed the enemy...
and disconcerted their projects; the 17th...
regiment of light infantry maintained its...
regulation; gen. Monibon distinguished...
himself; a detachment of the 26th light...
infantry, and a piquet of the 23d dragoons...
put the Cossacks to flight. All the enter...
prizes of the enemy against our posts, on...
the 11th and 12th inst. turned to their own...
confusion. It is already seen by the ar...
mistice, that the left wing of the French...
army supports itself on the Curisch Flak...

our line extends itself towards Grodno;...
the right commanded by marshal Massena...

A position so formidable is the result of...
success the most brilliant; and while the...

stroyed, more than half the French army...
has not fired a musket.

GREAT BARGAINS.

IN TENDING to remove to the state of Tennessee as soon as possible, I wish to dispose of the following valuable and increasing property upon low terms, which property I inherited from my ancestors, who have had a legal title to the same for upwards of one hundred years.

One Tract well known by the name of Abingdon,

Being on the Potomac river, between Alexandria and Georgetown and nearly opposite the City of Washington, beautifully situated, containing about FOUR HUNDRED acres, now leased to the Mr. Wises for THREE HUNDRED AND SIXTY DOLLARS per annum, with other stipulations contained in said lease.

One other Tract contiguous to the First,

Leased to William Fraser for FORTY DOLLARS per annum, containing about SIXTY acres.

One other Tract, containing Ten Acres of Bottom Land,

Adjoining the Four Mile Mill Tract.

One other Tract contiguous to the Abingdon estate

And within two and a half miles of Georgetown, containing SEVEN HUNDRED AND TWENTY FIVE acres. The greatest part of this land is heavily covered with Red and White OAK.

A L S O,

Three Thousand Acres on the Scioto River in the state of Ohio.

This tract descended to me from my uncle George D. Alexander, being one moiety of the land he was entitled to for his military services during the revolutionary war. All the title papers with the wills under which I am entitled to the above property, are in the hands of Baldwin Dade, esq. to whom application will please to be made for terms, &c. he being legally authorized to contract and dispose of all the above valuable property, for which good and satisfactory titles will be given.
